Beneficiary Project: **“Empowering the Widows of Mesopotamia”**

Dear Nadia

Kind Greetings;

On behalf of the Board of Trustees of Help the Needy Charitable Trust, we would like to thank participants (Laith, Emily and Alex Haboubi and Omar Al-Amin) and the Walk for Iraq team for your efforts, dedication, hard work, support and trust. Due to the Mt Kilimanjaro climb and NYC marathon, you have managed to exceed your target and raise a successful GBP 5,608. Thank you!

Our dedicated field officers and partners ensure that all donations reach the most vulnerable and is given to where the need is greatest.

Help the Needy is an International Relief and Development Charity registered in 1996 with a core focus on helping orphans and widows. Our aim is to serve these two particular groups of beneficiaries in society so in the long-term, they can become self-reliant. We will strive to achieve this aim through the provision of Training, food, primary healthcare and education.

Kind regards,

Ali Khalid
